Environmental Policy

1 Introduction

UKR Facades Ltd recognises the environmental impact of its operations and is committed to minimising harm to the environment across all facade remediation, new-build and retrofit projects.

2 Policy Statement

UKR Facades Ltd will:

- Comply with all applicable environmental legislation, including the Environmental Protection Act 1990 and Site Waste Management requirements.
- Minimise waste generated on site through careful ordering, material reuse and segregation for recycling wherever practicable.
- Prevent pollution to land, air and water arising from site activities, including control of dust, run-off and hazardous substances.
- Consider the environmental performance of specified materials and systems, including the thermal performance benefits of EWI retrofit works.
- Require subcontractors and suppliers to work to equivalent environmental standards.
- Support responsible sourcing of materials, including timber from certified sustainable sources where specified.
- Provide employees and subcontractors with awareness of their environmental responsibilities through induction and toolbox talks.
- Monitor environmental performance and address any incidents or near misses through the Nonconformity & Corrective Action Procedure.

3 Responsibilities

Directors

Provide resources and support for effective environmental management.

Operations Director

Ensures environmental considerations are built into project planning.

QHSE Manager

Develops environmental guidance, monitors compliance, supports incident investigation.

Site Management

Implements waste and pollution controls on site.

Employees and Subcontractors

Follow site waste and environmental controls, report issues promptly.

Environmental Policy

4 Communication

This policy will be communicated through induction, toolbox talks and site briefings and displayed at UKR sites and offices.

5 Review

This policy will be reviewed at least annually or sooner following a significant incident or change in legislation.

6 Approval

Shaun Bellew

Managing Director, UKR Facades Ltd

Date: June 2026
